Despite Economy, 97th Thomas P. Hinman Dental Meeting Draws 21,426 Dentists and Dental Professionals to Atlanta

By KIM RYAN

Despite tough economic times, the 97th Thomas P. Hinman Dental Meeting was a resounding success, attracting 21,426 dentists, dental hygienists, dental assistants, dental students and other dental professionals and industry personnel to the Georgia World Congress Center in Atlanta. The meeting, which emphasized “a journey of lifelong learning,” featured more than 60 leading dental experts, 230+ courses and workshops, and at least 440 industry leading companies.

“This year, Hinman did experience a slight drop in attendance – approximately 5 percent down from last year. But, in contrast to other meetings and tradeshow held in the past six months that have experienced a 10 percent drop or more, we believe that Hinman fared extremely well,” said Dr. Wayne Tadsen, Hinman’s 2009 General Chairman. “We actually saw an increase in dentists and dental students this year, many of the courses were filled to capacity, and the exhibit hall and new Hinman Eatery were busy from open to close.”

This year’s continuing education program offered more than 230 courses, including 40 participation courses, from some of dentistry’s most notable experts, including Dr. Gordon Christensen, Dr. Samuel Low, Dr. Harold Crossley, Dr. John Flucke, Dr. Henry Gremillion, Dr. John Svirsky, Dr. Charles Wakefield, Dr. Nader Sharifi and more.

As one of the largest dental meetings in the country, Hinman also featured more than 440 exhibiting companies, demonstrating the latest in dental technology, products, equipment and

services. This year, Hinman unveiled a new exhibit floor plan, featuring in the center of the hall, the Hinman Eatery, a food court where attendees could take a break and grab a bite to eat. Each day, the food choices changed to reflect the theme that day and many took advantage of the convenient and affordable lunch and snack options.

With even more emphasis this year on attracting dental students – especially those who attend southeastern dental schools – Hinman offered a student orientation on Friday during the meeting. Hinman’s Past General Chairman Dr. Dan Dunwody outlined courses the students may find of interest, offered suggestions on maximizing time spent at the meeting, and gave pointers on maneuvering the exhibit hall and surrounding areas. More than 750 dental students attended the meeting this year.

Hinman’s Best-Of-Class Educational Programs

Hinman’s educational programming offered everything from hands-on oral surgery and crown lengthening workshops to treating medical emergencies and evaluating controversies in clinical dentistry. Dr. Samuel Low filled a ballroom with more than 1,116 dental professionals who came to hear about “The ‘New’ Periodontal Disease: Inflammatory & Risky.” Many came to hear the latest on medication interactions. Dr. Harold Crossley’s course “Your Patient’s Medications and Their Dental Implications” attracted 830 dentists, hygienists, assistants and students. And, his course titled,

President's Message

Unique Society Has Its Rewards

*Allen French
President*

Our Hinman Dental Society is so unique. This was never more evident than our recent Thomas P. Hinman Dental Meeting in March. We have the only dental meeting in the country that has hundreds of doctor volunteers. It not only amazes me, but it also amazes visiting speakers, meeting planners and scouts from other meetings such as Chicago Midwinter, Yankee, Texas, California, etc.

I was asked numerous times at our meeting, "How do you convince 800 doctors to give so much of their time?" You should be proud that our meeting is known as "The Best." Without you, and your spirit of giving, we could never put on "The Best Hinman Ever" year after year. Congratulations to our General Chairman, Dr. Wayne Tadsen, for a great meeting.

Membership is not without its rewards, though. I hope you were able to attend the General Chairman's and President's Reception at the King Tut Exhibit. What a great evening. Our January meeting at the Georgia Aquarium with Jeff Staads broke all records for attendance. I'm sure all of our staff members enjoyed the meeting and reception. I would like to thank Sherry Jordan, our program chair, for three outstanding meetings this past year.

Our annual family "Hinman thank you meeting" will be here before you know it. We are going to the beach!! On the weekend of June 5-7 we will travel to the Crowne Plaza Hilton Head. Our annual meeting chairman, Dr. Jane Puskas, promises a fun-filled weekend with events for every member of the family. Thanks to the trustees, one hotel night, as well as registration for the meeting is free for all Hinman members!

I would like to thank our trustees. Their continued generosity allows us to have the highest quality continuing education followed by the annual meeting "reward." I would also like to thank our executive director, Sylvia Ratchford, and our Hinman staff for their help this year. I have enjoyed working with this great staff.

It has been such an honor and a privilege to serve as your president for 2008-2009. Thomas P. Hinman once said, "Attention to detail is the secret of success." Our members' attention to detail has ensured that Hinman's reputation, as "The Best" remains intact. 🌸

See you at the beach!

General Chairman's Letter

Another Great Meeting; See You in Hilton Head

Wayne Tadsen
General Chairman

Dear Members,

Thanks to you we have just had one of the least eventful (in a good way), and most enjoyable Hinman meetings ever! All of the committees performed their assigned tasks very well, and as Allen stated at the Keynote — Made Us Look Good.

I'm very happy with the way the program went and received many comments about how the whole meeting seemed so "Happy". The credit goes to all of you, members and staff.

I hope all of you were able to join us for the GC&P at the King Tut Exhibit, it was well attended and I hope everyone had as much fun as our family did.

I hope to see everyone in Hilton Head to celebrate another great meeting. The last couple of weeks seem like a dream; it all went by so fast.

Thank you again for the honor of serving as General Chairman — it was a pleasure. 🌸

Wayne

Dr. Charlie Ruhl Receives the Gold Card

The Gold Life Membership Card is an award conferred by the Hinman Dental Society at the Meeting to selected members of the Hinman Dental Society, who by at least twenty-five (25) years of continuous membership in the Society, and exemplary past service on behalf of the meeting, have been determined to be deserving of this high honor. The President of the Hinman Dental Society and the General Chairman of the Meeting nominate candidates for Gold Cards. After approval by the Advisory Committee, the name or names shall be submitted to the Executive Council for approval.

Wayne Tadsen and Allen French present the Gold Card to Charlie Ruhl.

The Gold Card was awarded to Dr. Charles T. Ruhl for recognition of his 35 years in the practice of dentistry serving his patients with excellence. President Allen French and General Chairman Wayne Tadsen presented Dr. Ruhl with the Gold Card during the January Membership Meeting.

Janis and Charlie Ruhl celebrate the distinguished honor.

The Gold Life Membership Card is prepared on a sheet of 14-karat gold.

It is engraved with an appropriate legend, and carries an engraved signature of the President of the Hinman Dental Society and the General Chairman of the meeting, with the date of presentation. 🌸

Hinman Dental Society Annual Meeting Hilton Head Island, South Carolina June 5-7, 2009

Despite Economy, 97th Thomas P. Hinman Dental Meeting Draws 21,426 Dentists and Dental Professionals to Atlanta *continued from page 1*

“Street Drug Abuse and its Impact on the Dental Office” drew more than 700 dental professionals. Approximately 690 professionals turned out to hear Dr. John Svirsky’s course, “Name that Disease and Other Oral Pathology Party Games.”

With more than 8,500 dental assistants, hygienists and office staff attending Hinman, many courses were designed with this audience in mind. Some of the more popular courses focused on patient communication and practice management. Char Sweeney’s “Saying it Right the First Time!” attracted nearly 550 attendees and Rebecca Wilder’s “Products & Promises: Making Informed Recommendations to Your Patients” drew almost 570 participants.

Hinman Keynote & Prizes

Hinman’s Keynote Session this year featured Neal Boortz – the popular talk radio host and best-selling author. He shared his unique perspective and numerous funny stories with everyone in attendance. Many participants commented that the Keynote was just like a being in their cars listening to him during drive-times.

At the end of the Keynote Session, Hinman held a drawing for two pairs of Delta Air Lines tickets to anywhere in the continental United States. Jeannie Mullins of Lilburn, Ga. and Dr. William Carroll of Austell, Ga. were the lucky winners.

This year’s Auxiliary Reception and Dentist Reception also were popular with

Hinman attendees. Both held in the Omni Hotel North Tower, the events attracted several thousand dental professionals. During the dentist reception, two all-expense paid trips were awarded to two lucky dentists. Dr. Michael Lyle, of Florence, Ala., won the vacation to the Ritz Carlton Golf & Spa Resort in Rose Hall, Jamaica. Dr. James Hill, of Irvine, Kentucky, won the vacation on a Royal Caribbean cruise to the Mexican Riviera.

\$250,000 in Scholarships & Gifts Awarded

The proceeds from the Hinman meeting not only support the operations of its annual meeting, but make it possible to support student education throughout the Southeast. This year, the Hinman Dental Society awarded scholarships and gifts totaling more than \$250,000 to 89 dental, dental hygiene, laboratory technician and dental assisting students at 36 colleges and universities located throughout the Southeast, as well as dental education groups and clinics. The students selected for scholarships were named “Hinman Scholars” and recognized during a luncheon at the Hinman Dental Meeting on March 21, 2009.

The Hinman Dental Society has granted scholarships to dental students since 1986, adding dental hygiene students in 1989, laboratory technician students in 2003 and dental assisting students in 2005.

Recipients are selected by the dean of each school’s Dentistry, Dental Hygiene, Laboratory Technician and Dental Assisting departments and must be junior student members of the American Dental Association as well as in the top 10 percent of their class.

In addition to the scholarships it awards annually, Hinman continues to fund three endowed chairs. Last year, Hinman committed \$500,000 each to fund chairs at the University of Alabama School of Dentistry and the University of Tennessee School of Dentistry. In 2005, Hinman began funding \$500,000 an endowed chair in general dentistry at the Medical College of Georgia (MCG) School of Dentistry.

The Best Hinman Ever

“There’s no question that Hinman offers the best in continuing education with a real commitment to quality and professionalism and this prevails even during tough economic times. Every year, we set the bar even higher and challenge ourselves to deliver the best Hinman ever. I believe we achieved that once again,” added Dr. Tadsen.

Over the next year, Dr. Max Ferguson, the incoming General Chairman, will work diligently with his committees to prepare for the 2010 Hinman, which will be held on March 25-27. The theme for next year’s meeting is “All Roads Lead to Excellence at Hinman.” 🌸

Gentlemen:

Just a quick note to thank you for the wonderful hospitality and for a great meeting. Hinman is very special in my heart, and I want you to know it is always an honor and privilege for me to be there. While I love speaking to the audience, more importantly, the friendships I have developed at Hinman are what I treasure the most, and I thank you for allowing me to be part of such an exciting event. The quality of the organization and the execution of the meeting along with the support I received from my host, Dr. O'Shea, was tremendous.

Again, I thank you both, and I look forward to seeing you in the near future.

Dear 2009 Hinman Committee Members:

I am writing to personally thank you for the hospitality extended to me and my family at the 2009 Hinman Dental Meeting. I had the honor of representing UNC Dental Hygiene Program and the UNC Dental School as a Hinman Scholar at this year's meeting. Receiving this scholarship will definitely rank as the highlight of my academic achievements at UNC. I thank you for this great honor. It was a validation of my hard work and academic performance. The recognition will spur me to continually improve and learn as I step into the dental profession.

It was a great pleasure to meet stalwarts in the dental field at the conference and I took home with me fond memories of my interactions in such distinguished company. I particularly enjoyed meeting the Hinman committee members who did such an excellent job in bringing the whole event together. Please extend my appreciation to your team members who handled the administrative details of arranging our itineraries with such perfection. I also would like to thank all your volunteers who coordinated the exhibition areas. The layout of the exhibits was so intuitive and logical and it was amazing to see all the latest technologies in the field and be able to interact with the experts and see these technologies in action. The networking opportunity was truly wonderful and I made some great contacts.

I hope to continue my association with the Hinman Dental meeting in the future and look forward to scoring back every year. I thank you once again for the wonderful opportunity and wish you increased success in your mission.

Sincerely,
