

Helpful Tips & Information

- **Registration-** A purchased ticket is required for each person attending the party. The party is now SOLD OUT. Your ticket is your name badge, which is REQUIRED for entry. Don't forget it! There are 2 small blue fish on the bottom left of your badge, which indicates you have purchased a ticket for the party. Your ticket includes 2 drink tickets, food and some great entertainment.
- **Getting There-** Hinman Housing by EventSphere will be extending the standard shuttle routes until 11PM for the party, and adding a stop at the Omni, so hop on the bus and leave the driving to us! For those who plan on driving, parking will be available at the Aquarium for \$12. You will enter through the main aquarium entrance. The aquarium is a half-mile walk from the GWCC.
- **Attire-** The dress code for the party is "Dressy casual." This is a step up from your casual weekend attire, but nothing formal is required. Nice jeans are permitted, but you can also take it up a notch and wear dress pants/slacks or a nice dress or sport coat. Make the most of the evening by dressing to match the Under the Sea theme, as a sea creature, goddess, shipmate... or wherever your imagination guides you! There will be a cash prize costume contest. Meet at 8 p.m. by the ballroom stage to participate.
- **Entertainment-** Dance the night away with two fantastic bands, several photo opportunities and a few fun surprises. You will have access to the aquarium exhibits all evening, as well. Be sure to scratch off your Gone Fishin' Prize Pond ticket when you enter for a chance to win a prize, with over \$4,000 in prizes awarded.

See you soon and be ready to party with your friends at Hinman!
