

Hinman 2018 Expands “Learning Lab Co-Op” to Three Days for Laboratory Technicians

- LAB TECH COURSES & DEMONSTRATIONS HELD MARCH 22-24 IN ATLANTA -

ATLANTA (Jan. 22, 2018) – The Thomas P. Hinman Dental Meeting – the nation’s leading dental meeting and comprehensive source of continuing education in dentistry – announces Learning Lab Co-Op Program for laboratory technicians at Hinman 2018, held in Atlanta on March 22-24. Designed specifically for lab techs, dentists and staff, the program features lectures and demonstrations for CE credit.

“For the fourth consecutive year, we have offered a comprehensive program for our laboratory technician partners. This year, we are excited to host even more lectures and demonstrations for lab techs, as well as dentists and staff who work closely with lab techs or do their own laboratory work,” said Dr. Patrick Yancey III, General Chairman for Hinman 2018. “The program features world-class experts in the field who will share with us the latest developments in implants and prosthetics so that the restorative team can deliver the best possible outcomes for our patients.”

LABORATORY TECHNICIAN LECTURES

Hinman 2018 will host lectures all three days at the Georgia World Congress Center. There is no fee to attend the lectures or demonstrations, but attendees must pre-register for the Hinman Dental Meeting first and then add courses to secure their participation. Courses and speakers include:
