

Hinman 2019 Attendance Surpasses 20,000

The 107th Thomas P. Hinman Dental Meeting, held March 21-23, recorded its largest attendance since 2015 with 20,352 dentists, hygienists, assistants, students and other dental professionals and industry personnel filling the Georgia World Congress Center and Omni Hotel in Atlanta. The theme, “The Beat Goes On: Dentistry & Your Systemic Health,” emphasized the important link between patients’ oral health care and their overall systemic health.

Hinman 2019 featured more speakers than ever before – 94 world-class dental speakers, with nearly half new to Hinman. There were more than 300 courses and special events, including 95 participation and interactive courses; the returning G.O.L.D. (Graduates of the Last Decade) Program; Learning Lab Pavilion; Total Health Pavilion; Career Connections; Table Clinics and nearly 400 companies demonstrating the latest in dentistry.

Dr. Jonathan Dubin, General Chair for Hinman 2019, along with his program chairs, Drs. Dave Lee and Sedgie Newsom, assembled an outstanding educational program and memorable social events during the Hinman 2019 Meeting. Hinman’s Night Out at the Movies in the Georgia Aquarium on Friday night attracted more than 2,600 dental professionals and guests, many of whom dressed

as their favorite movie character. In addition, the Keynote Session was one of the best attended with nearly 1,700 people turning out to hear Jim Kelly, the Pro Football Hall of Fame quarterback and oral cancer survivor, share his inspirational story.

“We were thrilled to see more than 20,000 attendees, taking advantage of everything Hinman has to offer – from exciting new speakers to numerous hands-on courses and fun-filled social and networking events,” said Dr. Dubin. “It was an incredible three days with everyone – including experienced and new dentists, the entire dental team and industry experts – coming together to learn the latest in the dental profession.”

Hinman 2019 drew a total of 5,587 dentists, 4,397 dental hygienists and 2,745 dental assistants with a 4% to 6% increase in these three categories. The meeting also saw

President's Message

Hinman-Induced Tachycardia

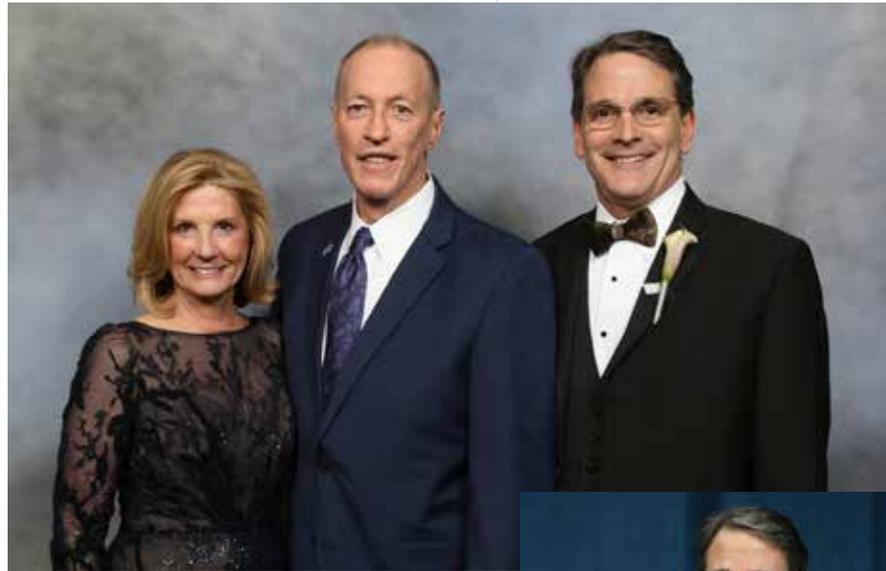

Dr. Roy A. McDonald

Before the Hinman Keynote address, my heart was beating out of my chest. I asked Eddie Pafford what he thought. He said "WOW!" My condition was not unusual and it turned out to be the norm. Every other attendee was experiencing Hinman-Induced Tachycardia due to the excitement produced by the tremendous programs General Chair, Jonathan Dubin, and his Program Chairs, Dave Lee and Sedgie Newsom, created for the 2019 Thomas P. Hinman Dental Meeting. Congratulations to all!

More than 600 attendees enjoyed hearing Dr. Tieraona Low Dog at our January Membership Meeting. The beautiful Georgia Aquarium proved an excellent backdrop for her thoughtful insights on how to live a long and healthy life. I want to thank Troy Schulman for his hard work on the membership programs this year and Eric Anderson and his Hospitality Committee for their excellent work.

Hinman Membership is not without its rewards. Our annual family weekend is scheduled for June 7-9, 2019 at the Pinehurst Resort. The Hinman Trustees graciously pay for one night's stay for those members who fulfilled their member obligations. Be sure to thank the Trustees. Our Annual Meeting Chair, Andy Ramsey, has put together a fabulous weekend. Don't miss this great event.

It has been an honor and privilege to serve as your president this year. Hinman's reputation ensured

Our Hinman Dental Society is unique, and it was never more evident than during this recent Thomas P. Hinman Dental Meeting. More than 800 of our members volunteered their time to fulfill their duties to assure another Best Hinman Ever. We are the only dental meeting in the country that has hundreds of member volunteers that show up each day with gusto to work. Thank you to all our hard-working members. Your dedication and service to our Society are what make our meeting special.

I offer special gratitude to our executive director, Sylvia Ratchford and her team: Lynn Leidel, Jackie Sarvis, Wendy McGar, Stephanie Park, Britney Darby, Ashley Allen and intern, Nicole Schwensen. They are the hardest-working, most professional staff and are always demonstrating constant dedication to details. They are unsurpassed!

that everywhere Debbie and I traveled, we were treated with the upmost respect. I can honestly say that Hinman is an extraordinary organization. We have had a remarkable and fun-filled year and it will not be forgotten. See you at Pinehurst, where you're not there for a long time, but you're there for a GOOD TIME!

Roy

General Chair's Message

Truly Amazing

Dr. Jonathan Dubin

It's hard to believe that, after three years of planning with program chairs Dave Lee and Sedgie Newsom, the 2019 Thomas P. Hinman Dental Meeting has come and gone, now part of the "Best Hinman Ever" history. But what a meeting it was! The 279 courses, workshops and interactives, plus special events such as Dr. Low Dog's luncheon and Dr. Odiatu's healthy cooking/smoothie live-demo at the Total Health Pavilion. The keynote, kicked off by special lecturer Carrie Webber's rendition of the Star Spangled Banner and finished with Jim Kelly throwing autographed footballs out to trivia-answering attendees, was my favorite! Hall of fame quarterback, Jim Kelly, was as nice a gentleman, gracious, sincere, heart-wrenching and humorous as I could have hoped for and more. His message

of redemption, faith, family, friends and fans got a standing ovation. His throw of the football that knocked over Jeff Kendrick was icing on the cake.

The message of systemic health by Drs. Bale and Doneen was a headliner and was translated by many other speakers' messages as well. The endodontics courses were especially strong this year, led by our own Jeff Pafford. Some of our most popular courses, with over 1,000 attendees each, were delivered by Susan Muller and Amber Riley. And courses with just under 1,000 attendees were presented by Hal Crossley, Mitch Gardner, Glenn Maron and Jamie Marboe. Overall, our speakers, both new and returning, provided superior content with excellent delivery.

I guess you could say I was ecstatic about how the educational component of the meeting was delivered. That delivery is our mission after all. The Lab program continues to provide technical beauty and the Total Health Pavilion was packed for many of the presentations.

Now we read the critiques to see how we might be able to improve any areas. It's how we get better and maintain the Thomas P. Hinman Meeting as the

best meeting worldwide. All that's left from Hinman 2019 is to hand out some scholarships. Now I look to afford support to Dr. Bob O'Donnell and his team as he heads up the next "Best Hinman Ever."

My heartfelt thanks to so many led by the Hinman staff, all my chairs, my family, all the Hinman members who served as hosts, information committee, clinic captains, etc. You all make our Hinman Society and meeting like no other. To my program chairs, Dave and Sedgie... no words suffice.

Back to Jim Kelly's message of friends and family: it reminds me of one of the main reasons that I love Hinman so much – each meeting is saturated with friendship, both old and new. My Hinman family feels warm and fuzzy, just as Bob O'Donnell's meeting will next March 19-21 with Hinman's Homecoming as his theme.

See you at Pinehurst!

Jonathan

THANK YOU thank you THANK YOU

Dear Ms. Patricia & the Hinman Dental Society,

Thank you so very much for all you did to facilitate the UNC School of Dentistry DDS4 trip to the Hinman Dental Conference this past weekend. What a phenomenal experience it was!! As a dental student with less than 50 days until graduation, it is continually daunting on me just how much there is still left to learn. The clinical background I have from my education so far put me in the perfect position to really sink in the details of everything lectured by Drs. Lee Ann Brady and Richard DiTallo (amongst others). I am so excited to put what I have learned to use in my final weeks in school clinic and in my lifetime. I only wish I could have attended more courses this year - but I have a feeling I will be back at Hinman soon. Thank you again for this opportunity!

With gratitude,
Ann Daniels, DDS '19 @ UNC SOD

Dr. Jonathan Rubin,
Dr. Sedgie Newson, and
Dr. Dave Lee,

Thank you for inviting me to participate in the Hinman Dental Meeting. It was truly an honor to work with the Hinman team.

I appreciated the warm hospitality. There were no details overlooked, from the dedicated hosts, Dr. and Mrs. Richard Smith, to the care fully planned course schedule, the lovely meals and enjoyable events.

I recognize that everyone worked very hard to accomplish another successful Hinman year. Thank you for allowing me to be a part.

Respectfully,
Olivia Wynn

Dear Hinman Team,

Wow! What an extraordinary meeting this year's Hinman was! Thank you for your great care, incredible hospitality and for attending to every possible detail to make sure attendees and speakers alike had the most amazing experience. Gratefully, Camille Wilber

Dear Jonathan, Sedgie and Dave,

I want to extend my warmest appreciation for being included with the 2019 Hinman meeting.

The Hinman hospitality is legendary and the organization certainly sets a standard for all other organizations. I refer to the Hinman as being "First class". It is not just first class in the way they take care of the speakers, but how they treat their members, volunteers and staff.

My favorite touching moment of the meeting was when the Omni staff received their ovation on Saturday evening and the retiring employee gave his brief and meaningful speech. This just put a close on a fantastic and memorable meeting for me.

Thank you!!!

Dear Sylvia & Team -

Bravo & well done!! Another flawless, joyful & amazing Hinman. I appreciate your professionalism & attention to detail. I was honored to introduce my UNC S.O.D. students to the Hinman family - to a person they all said they will be back!

Best wishes -
Nancy Hyman

Sylvia? Hinman Team,

Every single detail was attended to promptly, any question answered and all of your hospitality and kindness did not go unnoticed. I appreciate the opportunity to be a part of this excellent event as a presenter, your attendees were awesome and working with all of you made the entire experience a pure delight! The Scholars' Luncheon – Hinman's Finest Hour

For Hinman Members and dental professionals everywhere, the Thomas P. Hinman Meeting is considered to be the best of the best. There are many things that make Hinman special and set us apart from other outstanding clinical programs. Sadly, our attendees and so few Hinman Members get to see the one event which is unique to Hinman and distinguishes us from all others – The Scholars' Luncheon.

The Scholars' Luncheon is held at noon on Saturday during the March Meeting. Scholarships are awarded to dental, hygiene, assisting and lab tech students. These students bring family, friends and school deans or representatives to attend and support their achievements. Your Hinman Trustees host this event, cover all travel expenses for the students and make the scholarship presentations.

Although you, the Hinman members, do not see this event in action, it is what you all work so hard for all year long. You have made great friends, put in time on your committee and, ultimately, make a huge impact on the dental community.

At this luncheon, we put faces on the years of hard work. It is truly our finest hour.

The Trustees encourage all Hinman members to visit the Scholarship Giving Wall at the conclusion of the luncheon next year. See for yourselves the impact you are making and the pride they have in taking pictures when they find their names on the wall.

We should all be proud of that we do for Hinman and the dental profession.

The University of North Carolina at Chapel Hill sent a bus of dental students to the 2019 Hinman Dental Meeting. Student doctor, Jordan Sawyers, shares his experience:

In March, I was granted the opportunity to attend the esteemed Thomas P. Hinman Dental Meeting with over 40(!) of my UNC-Chapel Hill DDS Class of 2019 colleagues. Feelings of excitement ensued from being surrounded by so many dedicated colleagues willing to spend their time outside of school still seeking a better understanding of the ins and outs of the dental profession, and the Hinman did not disappoint! The exposure to engaging presentations on evidence-based clinical practices by the leading voices in dentistry and also being able to learn about the newest technology and advances in the profession was exceptionally beneficial.

As dental students, we are often instructed with the goal of becoming “safe beginners” in the practice of dentistry, which is a crucial process in protecting the welfare of the general public. However, by no means should this be the end goal! The UNC DDS Class of 2019's Mission to Serve charges us to continuously expand our knowledge of the dental field, as well as to stay abreast with the ever-changing advances in dentistry. Being a part of the Hinman experience has introduced me and my Tar Heel colleagues to like-minded brothers and sisters in the profession whom are constantly striving to improve their own skills and to promote the best interests of the profession. Plus, who wouldn't want to flex in a picture with Dr. Uche Odiatu after one of his inspiring presentations?

Stepping outside of the halls of the UNC Adams School of Dentistry to see so many dental professionals sharing ideas amongst one another at the Hinman Meeting is incredibly inspiring to me as a soon-to-be graduate still yearning for knowledge. I am confident that the UNC DDS 2019 members will continue to learn, adapt, and develop in the profession well after finishing our structured training, and I am ecstatic to know that the Hinman Meeting will be a place we can reunite, fellowship, and build our skills together.

Thank you to everyone who helped promote Hinman with the #myhinman hashtag!

Together with Hinman Housing Powered by Eventsphere, we are again able to give away an additional \$3,000 in scholarships because of the campaign. Attendees were encouraged to vote for their school to receive one of the 2019 #myhinman scholarships.

Here are our winners:

- 1st Place [\$1,500]: Chattanooga State Technical College Dental Hygiene
- 2nd Place [\$1,000]: Aiken Technical College Dental Assisting
- 3rd Place [\$500]: Augusta Technical College Dental Assisting

Each school will choose a deserving student or students to receive their scholarship. We will share their stories with you later in the year.

Remembering Dr. Dan Sanders

This year we remembered Dr. Dan Sanders with a memorial sign outside of the Clinic Captain Check-in Room at the Georgia World Congress Center (GWCC). Dan was an oral surgeon in Newnan for 36 years before retiring to Florida. Even after retirement, he made the trip to Atlanta every March. Early on, in his 54 years of membership, he served as a Clinic Captain and then became a Clinic Captain Coordinator. As Coordinator, he made sure that all the courses in the Building A of the GWCC were running smoothly. He counted course room chairs, checked signage and made sure attendees were in the right course. For the three days of Hinman, he was the problem solver in Building A. In recent years, he helped the staff proof content for the Program and Exhibits Guide. He went above and beyond to make sure every detail was perfect.

Dan passed away in October 2018. He is survived by his wife BJ. His dedication to Hinman will be missed.
