THE OFFICIAL PUBLICATION OF THE HINMAN DENTAL SOCIETY

Hinman 2018 Attracts 19,679 Attendees

The 106th Thomas P. Hinman Dental Meeting, held March 22-24, attracted 19,679 dentists, hygienists, assistants, students and other dental professionals and industry personnel to the Georgia World Congress Center in Atlanta. The theme, "Experience Hinman: Invest in Your Future," emphasized the importance of continuing dental education for everyone, from Millennials just starting out to seasoned professionals looking to revitalize their practice.

Hinman 2018 featured more than 80 world-class dental speakers, with 31 new to Hinman; nearly 300 courses and special events, including 67 participation and interactive courses; the returning G.O.L.D. (Graduates of the Last Decade) Program; Learning Lab Co-Op; Total Health Pavilion; Career Connections; New Free Advice Booths; and more than 400 companies demonstrating the latest in dentistry.

Dr. Patrick Yancey, III, Hinman's 2018 General Chair, along with his program chairs, Dr. Max Ferguson and Dr. Brad Greenway, assembled an exceptional educational program and outstanding social events during the Hinman 2018 meeting. Hinman's Night Out at the Georgia Aquarium on Friday night hosted nearly 2,400 dental professionals and guests.

"We are so proud to have hosted nearly 20,000 attendees this year, especially given there were so many options to obtain CE in Georgia

this past year," said Dr. Yancey. "It was also extremely encouraging to see so many students, as well as young dentists and dental professionals taking advantage of everything Hinman has to offer. They are the future of our profession and we were thrilled to see so many of them in the classrooms, on the exhibit floor and at our signature social events."

The Keynote Session was well attended with more than 1,500 people turning out to hear Dr. Bennett Omalu, the world-renowned forensic pathologist, share his story, which is chronicled in the hit film, *Concussion* (starring Will Smith).

Hinman 2018 drew a total of 5,271 dentists, 4,196 dental hygienists and 2,648 dental assistants. The meeting saw an increase in dental hygienists, laboratory technicians, students and exhibitors over last year, which is a testament to the strong program. Some of the most popular courses included: Dr. Harold Crossley's "Marijuana's Coming to Town: Will You Be Ready?" drawing 1,471 attendees, and Dr. John Svirsky's "Great Cases with New Faces," which attracted 1,040 people. Also popular were Dr. Robert Fazio's "Medicine, Dentistry and Drugs," that drew 999 in attendance; Ms. Diane Millar's "State of the Art Hygiene: A Virtual Reality Trip Through

President's Message

Thanks to You, Another Great Hinman has Bloomed!

Kathleen L. Robinson

I extend hearty congratulations to our General Chair, Dr. Pat Yancey, on a fantastic 2018 Hinman Dental Meeting. With the 2018 Hinman being the third dental meeting to be held in Atlanta in 12 months, Pat and his excellent Program Chairs, Max Ferguson and Brad Greenway, should be extremely proud

of the outcome. A big thanks to Pat's "better half", Julie, for pouring blood, sweat and tears into the program,

especially the excellent Special Events. I know it's been said time and again, but it is remarkable how many speakers and scouts from other dental meetings approach us with compliments on how special our March meeting is. The dedicated work from ALL of our Hinman members is a vital part of what makes our meeting one of the most respected dental meetings in the entire country. By requiring members to fulfill a minimum of eight hours of service during the March meeting, we are fostering members who are fully engaged in our Society. It shows and we thank you!

In addition to the speakers and educational programs presented, Pat gave us some phenomenal parties to attend this year. The General Chair and President's Reception at Mercedes-Benz stadium was perfect in every way with plenty of great food, libations, and ample seating. Hinman's Night Out at the Aquarium was equally fun. It was great to celebrate with our teams (if we recognized them in their masks!) and we filled up the entire aquarium! Well, we left room for the fish...

I hope you were able to attend the Keynote Session featuring Dr. Bennet Omalu who gave a very passionate speech about his journey in discovering Chronic Traumatic Encephalopathy. It was certainly my honor to address this august group as your President and I'll cherish that memory for my entire life.

Our January membership meeting, featuring Steve Anderson, was almost snowed out, but we still had a big turnout to hear a great lecture by Steve, who also spoke at the March meeting. My heartfelt thanks to Andy Ramsey, my Program Chair this year, who went above and beyond to bring you some fantastic speakers to enjoy at our membership meetings. I'd also like to thank my Hospitality Chair, Melissa Durand, and her entire committee for ensuring that you all were properly greeted and assisted at the door.

Please don't forget to make plans to join all of us and our families at Wild Dunes on the Isle of Palms, S.C., June 1-3. My Annual Meeting Chair, Patrick French, is the master of festivities and if you know Patrick at all, you know we're in for a fun weekend! He even has a surprise activity for those of us who can manage an "early bird" arrival by Thursday afternoon. Thanks to another generous subsidy from our Board of Trustees, those who worked the minimum eight hours during the March meeting can take advantage of one night free, the value of a standard room night, during their stay at the resort. Please take a moment to thank our Trustees, chaired by Dan Dunwody, for their generosity throughout the year.

I'd like to thank the entire Hinman Executive Staff, led by Sylvia Ratchford, for their patient guidance and help throughout my year as your president. I could not have made it without their direction and encouragement. They are, without a doubt, one of the integral factors in the great success of our Society

and the Hinman Dental Meeting. We are certainly blessed to have each one of these ladies working so hard for our benefit. It has been incredibly gratifying to serve as your President this year and I'm overwhelmed with the support and love from all of you and from the affectionate guidance of my predecessors and mentors in the Society. Thank you for the honor and privilege and I look forward to celebrating with you at Wild Dunes!

Kate

General Chairman's Message

The 106th Hinman Dental Meeting!

Patrick H. Yancey III

Hinman has come and gone and we were very successful again. I would like to express a great big thank you to everyone who volunteered their time and participated in our meeting. We could not have done this without you. Yes, everyone makes a difference. If by chance you missed the meeting for one reason or another, please come back next year, March 21–23, 2019, to see what you missed. We need you!

For me, Hinman is a true blessing. I have made so many friends that I would have otherwise never met. These friends have enriched my life even though I only see some of them once a year. A friendly smile and a warm greeting make a big difference. We should know, as we have given many pretty smiles through our practices. We have all been given many blessings to use to enrich our society. Hinman is one of the ways that we can touch the lives of others.

Thank you for allowing me to be your 2018 General Chair. I can assure you I tried my absolute best, not hardly a breath of energy left.

I would also like to thank Brad Greenway and Max Ferguson for serving as my program chairs and for mentoring me through this experience. Believe me, they had a big undertaking in training me and I am very grateful to both of them. This meeting would not have been the success it was without these two men.

I hope you were able to hear Dr. Bennett Omalu at our keynote session and enjoy our party at the Mercedes-Benz Stadium. These events were a highlight for me this year.

Lastly, our staff, under the direction of Sylvia Ratchford, is amazing. They crossed every "t" and dotted every "i" in their preparation and planning of our meeting. They are to be commended.

This is the last letter I will address to you. Thank you from the bottom of my heart. Remember, Hinman is about connecting with old friends and meeting new ones.

Pat

Hinman Members Share Their Experience at Hinman 2018

Although all Hinman Members enjoy their experience at the Hinman Dental Meeting each year, there is something special about the very first time someone attends as a Hinman Member. Some of our newest members have shared their experiences with us!

Dr. Jimmy Cassidy
"I had a great time as a new member!"

Dr. Cassidy has enjoyed coming to Hinman since he was a child, presenting table clinic research while in dental school and being a Hinman Speaker over the years. As a new member, he gained a whole new perspective about the inner-workings of the meeting. Dr. Cassidy worked with the Lab Co-Op on the exhibit floor, experiencing first-hand all the time and hard work that our devoted members put into each year's meeting. He shared, "I realize the success of the Hinman is really due to a history of member service to the society and the profession of dentistry."

Dr. Eric Anderson
"The meeting really is a place for reunions!"

Dr. Anderson has attended the meeting as a child and dental student, but he really enjoyed being a part of the "team" this year. He worked on two committees, transportation and Hinman's Night Out, attended a hands-on grafting course, and reconnected with old classmates. His biggest eye-opener as a new member working at the meeting was how quickly the days came and went. "The meeting seemed to go by in a flash," he said.

Dr. Phil Hammond
"My first year participating as a Hinman member was an exceptional experience!"

Dr. Hammond has been to Hinman many times over the years, but was honored to be able to participate as a Hinman Member this year. He served as a clinic captain and was delighted to see so many of his MCG classmates and military colleagues. Dr. Hammond has always been impressed by the professionalism and friendliness exhibited by Hinman members to attendees, and this year was no exception for him. He shared, "It was rewarding to be part of an efficient and caring team that presented a world-class conference to thousands of dental professionals."

Dr. Amanda Sengel
"It was fun being on the working side of things and seeing behind the scenes."

Dr. Sengel has attended the Hinman Meeting many times, but enjoyed her experience of attending as a first-time member. She worked on the Hinman's Night Out committee and helped create a memorable party for our attendees. She recalls, "everyone seemed to enjoy themselves at the beautiful aquarium". She is pictured above with fellow committee worker and Hinman member, Dr. Janice Lee.

Dr. Suvidha Sachdeva
"It was amazing!"

Dr. Sachdeva has attended the meeting five times in the past, but her first year as a member and a practice owner was something special. She enjoyed the motivation, organization and fun-loving atmosphere of working on the Hinman's Night Out committee. She met many new people and had a great time. When reflecting on Hinman 2018, Dr. Sachdeva shared, "I felt like I belonged to Hinman as a member and that it is my family."

Dr. Samantha Johnson
"Hinman honestly gets you excited all over again about being a dentist."

Hinman 2018 was Dr. Johnson's second time attending the meeting. She enjoyed working as a clinic captain and greeting all attendees as they entered the course room. She also met members and learned about their own Hinman experiences. As a new dentist, she soaked in as much as she could during the meeting; she attended courses all three days.

Dr. Ben Martin
"I really enjoyed my time at Hinman!"

Dr. Martin has attended the meeting six times in the past, but this was his first as a member and clinic captain. He also attended many lectures and enjoyed getting to speak with Dr. Mark Murphy before his lecture. Dr. Martin has always enjoyed Hinman, but this year he "began to appreciate the time and effort that goes into putting on such a standard-setting meeting."

Cutting-Edge Scaling Techniques,” attracting 879 attendees; and Dr. Richard Young’s “Tooth Preserving Dentistry, a 33-Year Perspective,” filling the room with 864 attendees. In addition, Prevention Convention drew 661 attendees to the all-day program on Thursday.

Dental student attendance was significant with a total of 768 students from schools across the country. In addition, 190 pre-dental students, 445 hygiene students and 732 assisting students attended Hinman this year to take advantage of various programs. Many took part in the G.O.L.D. Program, Dental Student Happy Hour and Scholars’ Luncheon. At the Scholars’ Luncheon held during the meeting, Hinman awarded 90 scholarships at 47 premiere dental programs throughout the Southeast. Over the past 17 years, the Hinman Dental Society has contributed nearly \$9 million, with \$500,000 this year alone, in scholarships and large gifts in support of dental education.

#MyHinman was a Success!

Thank you to everyone who helped promote Hinman with the #myhinman hashtag! There were more than 2,000 posts on social media using the hashtag this year. Together with Hinman Housing Powered by Eventsphere, we are again able to give away an additional \$3,000 in scholarships because of the campaign. Attendees were encouraged to vote for their school to receive one of the scholarships. Here are our 2018 winners:

1st Place (\$1,500)

Augusta Technical College Dental Assisting

2nd Place (\$1,000)

Clayton College and State University Dental Hygiene

3rd Place (\$500)

Georgia Perimeter College Dental Hygiene

Each school will choose a deserving student to receive their scholarship and we will share their stories with you later in the year. Thanks for all you do to promote the Hinman Dental Meeting each year!
