

Hinman's First Hybrid Meeting Attracts 7,026 Attendees

On March 12th and 13th, Hinman hosted its first hybrid Meeting, which attracted nearly 7,000 dentists, hygienists, assistants, students and other dental professionals and industry personnel. More than 2,000 attended the Meeting in person at the Omni Hotel. The remaining 5,000 attended virtually, participating in courses and events that were both livestreamed and recorded for on-demand access. The theme, “Feel at Home with Hinman,” emphasized the goal to make everyone feel comfortable, whether they attended in person or virtually.

“We couldn’t be happier with the results of our very first hybrid meeting. I believe Hinman created the perfect balance of a safe, in-person educational meeting and a virtual learning environment that was rich in content and promoted active engagement,” said Dr. Robert J. O’Donnell, General Chair of Hinman 2021. “We surveyed our previous attendees and realized that we must offer something for everyone during these challenging times. We have a responsibility to our patients to stay abreast of the latest developments in the dental profession.”

Hinman 2021’s educational program offered more than 45 in-person courses and more than 40 virtual courses, including live Q&A with the speakers. There were 48 world-class speakers featured and 10 in-person participation courses, as well as Hinman’s very first live virtual participation course

led by Dr. David Clark. The meeting drew a total of 2,604 dentists, 2,339 hygienists, 423 assistants and 234 office staff. Hinman 2021 also attracted both in-person and virtual exhibitors (473), dental and pre-dental students (143), educators (32), laboratory technicians (24) and other dental guests (54). According to Hinman’s survey, 39% of those who participated were first-time Hinman attendees.

In addition to the courses offered, the Keynote Session was livestreamed and featured Air Force Colonel (Ret.) Nicole Malachowski, the first female Thunderbird pilot and one of the first women to fly modern fighters in combat. More than 800 attendees either viewed it in person or online. The onsite exhibit hall, which hosted 70 industry companies, was also a big draw. It offered eight two-hour timeslots for attendees to choose from on Friday and Saturday and limited attendance to 225 people per two-hour slot to ensure social distancing. Online exhibitors, such as Crest+Oral B, Atlanta Dental Supply, Philips Sonicare, 3M and more, also had traffic with 2,669 total digital visitors.

The in-person courses limited attendance to a maximum of 148 people. Some of the most popular courses included:

- Dr. Harold Crossley’s “Opioid Use, Misuse, Abuse and Addiction: Appropriate Opioid and Non-Opioid Prescribing”

President's Message

To Infinity and Beyond!

Dr. Sedgie Newsom

What a great March Hinman Meeting we just experienced! What our General Chair Dr. Bob O'Donnell and his team, Drs. Jane Puskas and William Rousseau just accomplished is nothing short of a miracle. Over the course of these last two challenging years, they've created three different Hinman programs constantly having to adapt to the changing Covid environment. ***They've boldly gone where no dental meeting has gone before.***

In the truest spirit of Dr. Thomas P. Hinman, Bob has led our Society and Meeting through uncharted waters. Dr. Hinman was a true innovator in his time and thought outside the box by the way the speakers were treated, by the way that the members helped organize and run the meetings, and by the Southern hospitality that was generously offered. He set the course of dental education that our Society has followed for more than 100 years.

ANNUAL MEETING

THE GRAND HOTEL – POINT CLEAR, AL

Like Dr. Hinman, Bob has had to be innovative and think outside the box. And like Dr. Hinman, Bob has set a novel course for our dental meeting to follow for perhaps the next one hundred years.

Over these last two years, I've come to know Dr. Hinman pretty well. I can say confidently that if he were still with us today, he would be so incredibly proud of Bob, Jane and William for what they accomplished this year and their creative and novel approach to our meeting moving forward. Incredible work - Bob, Jane and William - and congratulations for delivering such an outstanding program!

Our speaker lineup for this year's three Society meetings was terrific! If you joined us for our January Society meeting and Dr. Roger Levin's lecture, you weren't disappointed. Dr. Levin is regarded as one of the best dental practice consultants in the field, and we were so very lucky to have him speak to us virtually. I am profoundly grateful to Charles Loretto and Tom Viola for delivering such timely and informative lectures in September and November. I also would be remiss if I didn't give a big shout out to my Program Chair, Dr. David Anderson. Great work and thanks for all you did to make this year a success. Additionally, Jackie Sarvis with the Hinman staff has been my right hand throughout. Jackie, I appreciate you more than you know.

With things starting to get back to some sense of normalcy, make your plans to attend our Summer Meeting in Asheville at the Grove Park Inn, June 4-6. The details and activities for the Annual Meeting follow in this newsletter. The Grove Park Inn was Dr. and Mrs. Hinman's favorite summer vacation destination and if you've been there before, you know why.

Serving as Society President has been a rewarding experience. Of course, none of it could have been done successfully without the excellent help of our incredible Hinman staff.

[Continued from cover]

- Dr. Thomas McDonald's "Staging Complex Restorative Cases: Putting Things in the Proper Order"
- Dr. Glenn Maron's "Blood Thinners"
- Ms. Olivia Wann's "Top OSHA Violations During the COVID-19 Pandemic"
- Dr. Jay Smith's "Enhanced Esthetics with Crowns and Veneers"
- Dr. Todd Davis' "Predictability in Restorative Care"

My heartfelt thanks go out to our retiring Executive Director, Sylvia Ratchford, who has guided our Society with a steady hand and incredibly sound judgment over these last 25 years. Our Hinman Dental Society would not be where it is today without Sylvia's astute guidance and leadership. I think that it's safe to say that she has been instrumental in elevating our status to that of the most elite among our fellow dental meetings.

As difficult as it is to say goodbye to Sylvia, it is exciting to welcome Annette Sullivan to the role of Executive Director moving forward. Annette brings immense talent, contacts and respect in the Atlanta hospitality industry to guide us. Welcome aboard, Annette!

I have been honored and humbled to have served as your President for these two unique and challenging years. It has been the highlight of my dental career to have served with such outstanding members of our profession. Rest assured, the Society will be in excellent hands for this coming year as my good friend, Dr. William Rousseau, serves as our next President.

Thanks to you all for your selfless contributions to our beloved Hinman Dental Society and I look forward to seeing you all in June at our Summer Meeting in Asheville to celebrate the success of Bob's Meeting!

More than 6,200 new and returning attendees logged into livestreamed courses on Friday, March 12 or Saturday, March 13. The most popular online courses were:

- Dr. John Svirsky's "Mama Said There Would Be Days Like This," which drew 2,543 participants
- Dr. Kenneth Hargreaves' "Dental Implications of COVID" had 2,399 attendees
- Dr. Constantine Politis' "Red, Swollen, Glossy and Boggy: Fixing Those Broken Gums" drew 2,366 participants

Gratitude

Dr. Bob O'Donnell

My message is all about Gratitude. Please accept my sincere thanks for everything you did for Hinman 2021! You supported us, worked hard for us, and promoted the Meeting, giving it your very best effort. Each year, we strive to deliver the "Best Hinman Ever", and it takes a team of very talented professionals, committed only to optimum results, to be successful. We all stepped out of our comfort zone this year, and I am very grateful.

We began scouting for Hinman 2020 ["Come Home to Hinman"] at the beginning of 2017. Two weeks

- Mr. Kirk Behrendt's "Practice Leadership During COVID" welcomed 2,287 attendees
- Ms. Amber Riley's "Patients, Pills and Pathologies: Why Medical History Clues Are Critical to Dental Treatment" attracted 2,081 participants

Hinman's virtual courses were available on-demand through April 12 and more than 84% of attendees planned to access the courses after the live Meeting ended. This year, Hinman also introduced several new elements that were well received. The online

out from the meeting last March, we were very excited as we watched the number of registered attendees grow each day. We had a stellar lineup with only the very best speakers from all over the country. We carefully watched the progress of the pandemic, educating ourselves as much as possible, and seeking guidance from healthcare experts outside of Hinman, in order to understand how the pandemic might affect our meeting. Safety first was our priority, and, with just one week left before our meeting was to begin, we cancelled. We were confident then and now that this was the right call – no question.

A new breed of the Hinman Dental Meeting, unlike any other before, began to evolve immediately. Our talented Hinman staff immersed themselves in the new language of Zoom meetings, virtual platforms, and the possibilities of hosting a new and unique "hybrid" model, where registered guests could actually choose the type of course they were most comfortable with – in-person, virtual, or a combination of both. Appropriately, we modified our theme to "Feel at Home With Hinman" and, once again, we presented the "Best Hinman Ever", merely one year later, despite all the odds against us. We often commented that this process was not only like learning a new language; it was like learning a new language with a different alphabet! No easy task, for sure.

Drs. Jane Puskas and William Rousseau, always at the ready, helped every step of the way to re-program our original 2020 meeting. Together, we carefully reduced the number of speakers and courses so the program would more easily fit into our new hybrid format. Along those lines, I applaud the Hinman staff for their unconditional commitment to embrace the new 2021 meeting. By now, we are all familiar with Zoom

networking community, "Networking Powered by Grip," allowed event participants to connect and schedule meetings. The all-new "Hinman Studio" broadcasted live from Atlanta and featured interviews with industry experts and influencers.

Planning has already begun for Hinman 2022, which will be held March 17-19 at the Georgia World Congress Center and Omni Hotel at CNN Center in Atlanta. In the post-meeting attendee survey, Hinman discovered that 90% would like to

meetings; however, the platform that hosted the virtual courses is extremely more complicated in that it needed to support thousands of viewers, both live and online, without freezing or running out of band width. The learning curve was steep, but each member of the staff became experts in a very short period of time. Thank you all! Your dedication and loyalty are appreciated.

It was terrific to see the halls and classrooms of the Omni Hotel filled with familiar faces! We saw the genuine smiles behind the masks and we gave fist bumps from our socially distanced settings. Most all of the in-person classes were sold out to the reduced capacity of the rooms. Speakers were delighted to be back presenting to a live audience. Exhibitors could actually be in front of potential clients again to make a sale. All good things.

We all know that Hinman is about so much more than just continuing education. We like to see each other and share stories. We want to catch up with our classmates and colleagues after hours. We simply enjoy being together for a common purpose. Last year, we were the first major dental meeting to cancel because of the pandemic; this year we were the first to come back with in-person learning. Congratulations to everyone who helped us with this accomplishment!

It was a long and difficult twelve-month journey, but *We Did It!* Our all-volunteer organization stepped up to the challenge and delivered another Best Hinman Ever. Thank you for doing what you do best—being gracious, polite, professional, and attentive to detail. I am overwhelmed with gratitude to be a member of the Hinman Dental Society, especially during this most difficult last year. It has been the honor of my career to serve as General Chair of Hinman 2020 and Hinman 2021.

I hope to see everyone in Asheville at the Grove Park Inn! All the best,

see a hybrid meeting component continue in the future. "This is exciting to see—the advantage of having some virtual courses is that we can offer Hinman's unique brand of quality education to even more dentists and dental professionals who may not otherwise experience Hinman due to health concerns, time out of the office or long distances," added Dr. O'Donnell.

Thank You

Dear Hinman Family - 3/5/21
 Wow! It was great to "Come Home To Hinman!" Thank you for making our return to in person dentistry & dental education so much fun. It was great seeing everyone, & you all certainly made the best of a difficult situation. As always, it is such a pleasure to be asked to present at Hinman. Every aspect for the speaker was first class. - Can't wait to see you in 2022!
 My best wishes always -

 Dr. O'Donnell, Dr. Puskas, and
 Dr. Rousseau & Hinman Team,

Thank you for inviting me to present Human Resource Management and OSHA Compliance Violations During the COVID-19 Pandemic. It is a pleasure to work with the Hinman team and to have the honor to serve as a presenter. I am always impressed by the Hinman leadership and the attention to fine details. With this being my first live meeting since last year, I felt inspired and rejuvenated. The energy from

the audience is priceless. I also appreciate the Hinman culture. Thank you for providing my host, Dr. Richard Weinman. Kevin and I enjoyed the events and the delicious meals. Watching the Hinman doctors work is amazing. I love how they greet each other in the hallways and on the escalators/elevators. The love you all have for Hinman and each other is awe inspiring. Thank you for allowing me to be a small part.

Dear Bob,
 You are a courageous leader. You made so many important decisions in the best interest of Hinman. What a fantastic meeting. A first of its kind and a true blaze. Meeting you two lovely daughters and your nephew was an added plus. I am honored that you included me to present in person. We made history I do say. Blessings, Janice

Hinman folks,
 I know that you often say this year is going to be the "best Hinman ever". In light of the events of the past year, this meeting sure felt like the best that I have ever participated in. You folks showed extreme courage, great confidence, and impeccable planning to pull off a magnificent meeting. I expect that almost everyone present was experiencing their first outing in a year. The course attendees seemed thrilled to participate in a live educational event and the enthusiasm filled the meeting rooms. "Back stage" in the atrium, it was so refreshing to spend time and share meals with friends for the first time since last February. I haven't heard that much laughter since Marvin Berman was at the meeting. Thank you for including me in this groundbreaking event. I was so proud to be a part of this meeting and came away with a renewed excitement for our profession and the future of our society. Thank you for your support and friendship.

Warmest regards,
 Tom

 pharmacologydeclassified As many of you may know, yesterday marked the first time I presented to a live audience at a national dental meeting in a VERY long time. Almost exactly one year to the day that my world as a speaker completely fell apart, I was lucky enough to be back on stage at a live meeting. Who would be brave enough to host such a meeting? Well, I wouldn't expect anything less from the Hinman Dental Society. The courage to blaze new trails to promote the profession of dentistry, the commitment to providing quality continuing dental education, the undying loyalty to their members, meeting attendees, and speakers are the hallmarks of the amazing group of people at Hinman who work tirelessly in support of us all. While I'm sure they are all exhausted from hearing me say "Thank You!" endlessly, there just aren't enough words for me to describe how proud, humbled and grateful I am to be a part of the Hinman Dental Meeting 2021. Thank you Hinman! Thank you to my idol and mentor Dr. Hal Crossley and my good friend Dr. Mark Hyman (yes, we did wear our masks for the pic!) And a special shoutout to my Host Extraordinaire Dr. Jonathan Johnson. Thank you for all you have done for me! I'd be lost and wandering the hallways of the Omni without you, my friend! #hinmanlive2021 #myhinman #myhinman2021 #firstbacklive #theboyfrombrooklynreturns

Sylvia Ratchford, Executive Director of 25 years, Retires May 31, 2021

Dear Hinman Members -

As many of you know, I am retiring after 25 years with Hinman and I will be relocating to what is “home” for me. I grew up in Gastonia, North Carolina and am returning to that area to live on Lake Wylie. My sister and brother and their families live there now so this move is an opportunity for the three of us to live near each other since before we all left for college. I will be living in Clover, SC which is located about 20 minutes from Charlotte and not far from the Charlotte airport. Hearing the water lapping on the dock each day has been on my bucket list for some time.

I also want to tell you that you, Hinman members, are the BEST! How can I express my gratitude to each of you individually for all that you have done to make my 25 years at Hinman so rewarding?

You are an amazing group of professionals who, on a daily basis, show your love and respect for your profession by going above and beyond your “day jobs” to continually serve the community. As I have told my family, friends, and colleagues for years, you should ask if your dentist is 1) a Hinman member? and, if not, 2) does your dentist attend Hinman for CE? The answer of yes to either or both questions means that this individual is someone who wants to provide the best possible dental care for all of us when we sit down in the dental chair.

As you all already know – there’s no place like Hinman. And I don’t mean the physical building although I could not have asked for a nicer or more efficient work environment. And, I could not have been more blessed with the incredible staff members that have been employed over the years. You have been so wise to support our interviewing process including the professional services of clinical psychologist Dr. Richard Hark to help us identify the best people for these jobs. The team in place now, including your new Executive Director, Annette Sullivan, may be your best.

Your eagerness and enthusiasm as volunteers are unsurpassed. And I can speak from experience. My career, prior to my start at Hinman in 1996, included working with numerous associations both nationally and regionally and many of them in the field of healthcare. You are the gold standard, the bellwether, the OG, within healthcare associations, including dentistry. Don’t ever stop being the leaders.

I have worked hard over these 25 years to try to make each Meeting a little better than the one before. What I know is that, what you have done for me, the professional development I have experienced, and the friends that I have made, have far outweighed my hours on the job.

Thank you for being Hinman and for letting me come along for this great ride!

With much love and respect,
Sylvia

Event 6 – Whitewater Rafting & Lunch 9 a.m. - 1 p.m.

Meet in the main lobby at 7:50 a.m. You are responsible for your own transportation.

Experience the exciting adventure of whitewater rapids and enjoy the natural beauty of the Pisgah

National Forest while rafting down the French Broad River’s Class II - III rapids. Must be at least 8 years of age and wear secure footwear. Cookout lunch includes hamburgers and hot dogs. Please indicate on registration form if you prefer a veggie burger.

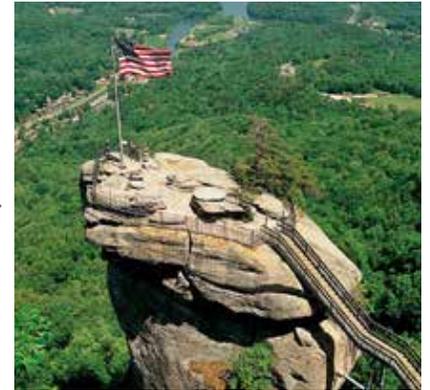

Fee: \$70 (includes gratuity)

Event 7 – Chimney Rock Park & Lake Lure Tour with Lunch 9 a.m. - 1:30 p.m.

Meet shuttle in the Atrium Lobby (Vanderbilt Wing, 7th floor) at 8 a.m. (approx. 45-minute scenic drive).

Chimney Rock State Park is a nature lover’s paradise. Start the day taking in the spectacular views from the top of Chimney Rock. You can hike or take the elevator to the top of the 315-foot rock, providing breath-taking views of Hickory Nut Gorge and Lake Lure. There are multiple trails for additional hikes throughout the park, ranging from easy to strenuous, taking you through several different habitat types and waterfalls. Later, enjoy a pontoon boat ride on Lake Lure, taking in the rugged mountain cliffs as they tower around you. Historians will be aboard to share stories of the lake. Gourmet boxed lunch with beverages will be provided. Beer and wine will be available on the shuttle back to the hotel.

Fee: \$129 adults & children 13+ | \$99 child (ages 4-12)

Event 8 – Asheville Walking Tour 10 - 11:45 a.m.
