## President's Message

### Looking Forward to Another Great Year

*Brad Greenway  
President*

Thank you for giving me the opportunity to serve as President of the Hinman Dental Society. I consider it an honor and will do my best to uphold the traditions and ideals of the society.

Past General Chairman Wayne Tadsen and Past President Allen French are to be congratulated on a job well done and a successful 2009 Hinman meeting. Wayne, along with Program Chairmen Bruce

Ashendorf and Brian Carpenter, put together a great Hinman — congratulations, gentlemen. Allen represented Hinman well and culminated his year with a memorable trip to the beach — a great year and I will do my best to continue on that path.

Max Ferguson, General Chairman 2010, and his program chairmen, Billy Callahan and Jim Bob Williamson, are hard at work planning our next Hinman for March 25 - 27, 2010. I know Max and I know he is striving for the "Best Hinman Ever." But as always, it is our membership that makes the meeting work. Your volunteerism and willingness to contribute eight hours or more are what make our organization so unique and special. In order to get even more of our members involved, we are upgrading our database software. This improvement will help in assigning our members to the different committees for the Hinman meeting. My experience has been that the more I am involved, the more I have enjoyed being a part of the Society.

Thanks to Roy McDonald who is serving as the Society's program chair. He has selected three excellent speakers for the Society's membership meetings. Please mark your calendars and plan to attend all three meetings. My year will end with our annual meeting returning to Callaway Gardens on June 11, 2010. Going to Callaway was once an annual tradition and we seemed to return year after year for at least a decade or more. My hope is to recall those days as well as create new memories that will carry forward.

As I prepare to take over the helm, I realize how fortunate our Society is to have such a professional, competent, and friendly staff. They are an integral part to our success. Again thanks for your confidence in me. I am looking forward to a great year!

## General Chairman's Letter

### Working Towards Another "Best Hinman Ever"

*Max Ferguson*  
*General Chairman*

It's hard to believe it's that time of year again and another successful Hinman year has passed. Congratulations and thanks to Wayne, Bruce and Brian for their hard work in putting together a great Hinman 2009. It was truly another "Best Hinman Ever" for all our Hinman family. Special thanks to Allen French and all the Society officers for their leadership throughout the 2008 - 2009 year. What a great year-end

celebration and record turnout at Hilton Head! That was a special ending to a special year. And it goes without saying that special thanks go to our Executive Director, Sylvia Ratchford and our dedicated Hinman staff. You are the golden thread that holds the Hinman fabric together. Sylvia, Lynn, Stephanie, Kate, and Laura — thank you for all you do for our great organization.

I am very proud to address you as your General Chairman for the Hinman 2010 meeting. The theme for Hinman 2010 is "All Roads Lead to Excellence at Hinman" and Jim Bob Williamson and Bill Callahan, our program chairs, have put together not only an excellent scientific program, but also one with several innovative twists both in content and scheduling. There will be more details about that in the November newsletter.

For 2010, I have tried to build on several successful new ideas that Wayne brought to the 2009 meeting. First and foremost are the changes to the exhibit hall. The Hinman Eatery and wireless Internet access were a huge success with our attendees and vendors and we will continue both of them. One exciting change for 2010 is that we will have a new general service contractor — Freeman Company. Together with Freeman, we are developing several new creative ways to help promote the "Hinman Brand" not only to our vendors but to our attendees as well. After the initial meetings with the Freeman team, I can assure you that we are going to benefit from this new relationship. Freeman has an 82-year tradition of excellence and attention to detail, similar to Hinman so I know all roads will lead to excellence at Hinman 2010.

I'm sure by now that our committee chairmen are contacting everyone regarding committee assignments for the March meeting. Please sign up early and sign up often to do your part in making Hinman 2010 another "Best Hinman Ever." I want to again thank all of you — the Hinman officers, membership, spouses and staff for all you have done and will do for Hinman 2010.

Best Regards,

*Max*

# HINMAN DENTAL SOCIETY ANNUAL MEETING

# Dr. Brad Greenway, Self-Proclaimed 'Straight-Forward Guy,' Steps Into Hinman Dental Society Presidency

By KIM RYAN

When asked if there were something quirky he'd like to share with the Hinman Dental Society membership, Dr. Brad Greenway said, "I'm just a pretty simple, straight-forward guy." He's a native Atlantan, a University of Georgia alumnus and an Emory University Dental School grad. Following graduation, he settled down and started a practice in the Peachtree Corners part of town. He says, "I definitely don't see a book or reality TV show based on my life."

While he may not be reality TV material, there's no question that Dr. Greenway is very committed to the profession of dentistry and enjoys helping his patients. Although he wouldn't trade being a dentist, if he would have pursued another career, he says he probably would have been a veterinarian.

When he's not practicing dentistry, Dr. Greenway enjoys playing tennis and golf, and traveling with his family. This year, he and his family visited the Grand Canyon, Zion National and Bryce Canyon Parks. Some of their favorite trips have been to Yellowstone National Park, Costa Rica and London. Dr. Greenway also enjoys classic cars with his current project being the

restoration of a 1991 Alfa Romeo. He once belonged to an off-roading club and took frequent trips on the trails in North Georgia.

Prior to becoming a Hinman Dental Society member, Dr. Greenway has long been involved in organized dentistry, dating back to his days in dental school. Through his friendships and associations with dental colleagues, he became involved in Hinman and eventually was nominated to serve on the executive council.

Now, as president, Dr. Greenway's biggest goal for the Society is to get even more Hinman members involved. With new software, it's his intention to be able to reach out to more members and fill committees with members who want to participate in the Society and the annual Hinman Dental Meeting. Dr. Greenway said he hears over and over again, "the more I get involved, the more I enjoy Hinman."

If he could choose what Hinman members remember the most about the year ahead, it would be that they had a great year as part of the Hinman family. If that is accomplished, then he will have done his job as president. 🌿

## Can You Make a Referral?

Members, we would like to get your input on companies that you work with in your practices.

Are there vendors or companies that you do business with or order from that

we should invite to exhibit at the 2010 Hinman Meeting?

You are one of our greatest resources for finding quality products and services to feature on our exhibit floor.

We appreciate any referrals you can make. Please contact Stephanie Park in the Hinman Exhibits Office (404) 231-1476 or [spark@hinman.org](mailto:spark@hinman.org). 🌿

## Hinman Dental Society Membership Meeting Monday, September 21, 2009, at The Ritz-Carlton, Buckhead

Registration 3:30 to 4 p.m. • Lecture 4 to 6:45 p.m. • Business Meeting 6:45 to 7 p.m. • Cocktail Reception 7 to 8:30 p.m.  
Deadline for Registration is Wednesday, September 16, 2009

### Pearls for Your Practice

Highlights will include clinical procedures from start to finish featuring the best products, as well as materials and techniques that enable the dentist and clinical assistants to produce dentistry in the least amount of time at a low level of stress. This course is designed to increase hourly production and will demonstrate many ways that clinical dentistry can be enhanced, upgraded, simplified, done more quickly and made more fun for the entire dental team.

Also, this course is designed to cut through the confusion of all the new products that are constantly being introduced. You will go home with a “cookbook of Pearls” that can be immediately implemented upon your return to the office, such as:

- Interactive Patient Education
- Taking advantage of the Esthetic Revolution.
- Getting your patients excited about cosmetic dentistry.

- New “universal” composites.
- Adhesive dentistry made simple.
- Stop composite sensitivity – once and for all.
- A high torque handpiece that cuts teeth fast.
- Make beautiful custom temps in less than 5 minutes.
- Resin cements and resin reinforced glass ionomer cements.
- Prep two crowns in the time it takes you to prep one crown.
- Control bleeding without messy clots and harmful drugs.
- Curing Lights

This course will enable the dental team to significantly reduce the time required to produce high quality dentistry and significantly increase the dollar per hour production in the practice. The handout includes a complete source guide for all materials discussed plus many others.

Joseph A. Blaes, DDS

**Dr. Blaes** has created a unique, innovative, insurance-free, fee-for-service general practice in St. Louis, Missouri, that emphasizes preventive, esthetic, reconstructive and implant dentistry. Because of his interest in new and innovative materials and techniques, Dr.

Blaes began writing “Pearls for Your Practice” in Dental Economics. The column quickly became a trusted resource for new dental materials and techniques. In October 1996, he was named editor of Dental Economics and is responsible for the new editorial direction of the magazine. His lecture and hands-on programs for dentists and auxiliaries have won rave reviews around the country. Dr. Blaes lectures both nationally and internationally. You may reach Dr. Blaes via e-mail at JoeB@pennwell.com. 🌿

Balance: =	\$86,294.60

**Hinman 2009:** General Chairman Wayne Tadsen

thanked his program chairmen, Bruce Ashendorf and Brian Carpenter, as well as the staff, for a great meeting. Dr. Tadsen said he did face some challenges this year, but that his message highlighted the fact that fifty percent of the program was free and how Atlanta is within driving distance for many attendees. He announced the final attendance number of 21,426. Drs. French, Mohme and Schroeder congratulated Dr. Tadsen on a great meeting.

**Hinman 2010:** Chairman-elect Max Ferguson congratulated Dr. Tadsen on a great meeting. He stated that he and his team are focused on a quality-balanced program and will be offering some value packaging for staff, assistants and hygienists.

**Hinman 2011:** Vice Chairman-elect Eddie Pafford also congratulated Dr. Tadsen on his meeting. He stated that his team would be traveling to the upcoming CDA and AGD Meetings.

**Advisory:** Chairman Dunwody presented the annual compensation and office equipment and maintenance report from the Advisory Committee. The compensation package for the staff was presented and approved (Dunwody/Puskas). Dr. Dunwody then made the motion to approve the design and development of a new membership database. The motion was approved (Dunwody/Carpenter). A motion was made by Dr. Dunwody to approve a four-year contract with Bennett Graphics for the printing of Hinman publications. The motion was approved (Dunwody/Roos). Dr. Dunwody stated, for information only, that the Ascend Media contract for three years had been approved. Ascend prints the Guide to Technical Exhibits. He also stated that the contract for Ambassadors had been approved for three years. Ambassadors is Hinman's housing bureau.

**Old Business:** None

**New Business:** President French acknowledged Dr. Chris McFarland for his service on Executive Council. Dr. McFarland thanked the members of Executive Council for the opportunity to serve.

**Membership Report:** Vice President Brian Carpenter presented the following names for membership: Drs. Matthew Benson, Carlla Blanton, Ellene Craig, Eric Ferrara, Nancy Ferrara, Allen Hutchins, Janet Kearns, Carolyn Krieger, Philip Parham, Jr. (Associate), Alex Patrick, Louvenia Rainge (Associate), Janine Randall, John Sauk (Associate), David Settel (Associate) and James Shorr. These proposed names were approved for membership (Carpenter/Lee).

**Membership News:** Dr. Kate Robinson gave the following report:

Dr. Rollie Mallernee, longtime member of Hinman and past President and General Chairman, died on April 13 at the age of 95. He had been in good health until just the last couple of months.

Dr. Billy Bentley continues to improve from his fall one year ago and is recovering from a bout of bronchitis and a "touch" of pneumonia, per Mrs. Bentley.

Dr. Eddie Pafford reported that his son, Jeff, and daughter-in-law, Kaki, are expecting a second baby.

Dr. Jonathan Dubin reported that Drs. Marvin Kaplan and Stephen Fink had passed away.

It was also reported that Dr. Ken Grubbs has been moved to Shepherd Spinal Clinic following his car accident earlier this year.

**Remarks:** None

**Adjournment:** Dr. Greenway adjourned the meeting at 8:35 p.m.
