Happy Fall

Jim Roos
President

We are getting back to business as summer ends and our fall meetings begin. This is the build-up to our meeting in March which is dependent on all of us to make it the next "Best Hinman Ever."

Thanks for your attendance at Mike Pruett's lecture in September. I thought it was very informative and well presented. I appreciate Pat Yancey's work as membership meeting program chairman. He is bringing in Dr. McCracken from UAB to give us a fresh view on implants. This lecture and dinner will be on November 12th at the Grand Hyatt. Make sure to mark your calendars for this informative and fun meeting. The subsidies that the Trustees provide for these meetings make the CE a real value.

I hope everyone noticed and enjoyed the changes in September's Preview Review. Thanks are in order to Laura and the Hinman staff for suggesting the addition of the 'Hinman Member Corner,' where members can share some of their interests, hobbies and passions. This feature is a great way to bring more familiarity amongst one another and reveal our lives outside of dentistry. The Hinman staff never ceases to amaze. Their dedication, effort and work ethic are a true blessing for this organization. We should not take them for granted and our gratitude should be expressed regularly.

We want to encourage all our members to make an effort to meet our newer members. Introduce yourself and make them feel welcome. We hope to keep them together as a group at our membership meeting reception so we can all have a chance to greet and welcome them.

Housing brochures have been mailed, marking the first sign of Hinman 2013. March is just around the corner so make sure you get on a committee. If there is a

particular job or committee you would like to serve on, get in touch with the chairman and let him/her know, the earlier the better. Remember we are all required to serve on a committee at the meeting. This service entitles you to the many benefits Hinman offers: valuable CE lectures, Hinman receptions, subsidized annual meeting perks and wonderful opportunities to meet and work with our dental colleagues. The Hinman Trustees generously contribute to these benefits as well.

As president, I am learning so much about the Hinman Dental Society and it is enlightening. I've become much more in touch with our mission as a society and realize that we have to keep education as our main goal. There are many great times and much opportunity that come with an organization of this magnitude. The Hinman Trustees, the staff and the leadership take their roles seriously and are committed to continue our tradition of excellence. I would like for all of us in Hinman to work hard and have more fun than ever.

General Chairman's Message

The Tradition Continues...

Brad Greenway
General Chairman

Planning for our meeting in March is going very well. Thanks again to my program chairmen Drs. Max Ferguson and Roy McDonald for the time and effort that they have put in to make the meeting a success.

I want to highlight some of the courses that will take place at the meeting. We are very excited to have Dr. Pete Dawson speak at our meeting. We are honored to have him speak not only because of

what he has done for our profession but also because he limits when and where he speaks these days. He was an icon in dentistry when I graduated 28 years ago and is still espousing the concepts of occlusion and comprehensive dentistry today. He will be speaking with Dr. John Cranham on the "Timeless Principles in Restorative Dentistry" on Friday only.

Several different technologies will be addressed as well. Imityaz Manji and Dr. Sameer Puri will be giving a hands-on course on CAD/CAM. Dr. Puri will also be giving an introductory course on CAD/CAM on Saturday for those who want to learn more about the technology. Dr. Dale Miles will be giving a participation course on cone-beam technology. Dr. Scott Droter will be

giving a participation course on reading and ordering MRI and CT scans. Dr. Al Wyatt will be giving several courses on lasers. To round things off, Mr. Glenn Lombardi will be speaking on websites and Ms. Laci Phillips will offer a course to get you started on social media.

You can see that it is going to be difficult to decide what to leave out at this year's meeting. The pre-registration material will be coming soon. Be sure to invite all of your colleagues, including those you refer to or went to school with, Hinman non-members included. The meeting's success depends on your involvement and commitment. Thank you for being an active Hinman member.

Nominating Committee Meeting – Nominating committee chairman, Dave Lee, announces that the committee will meet January 10, 2013 at the Hinman Executive Office. If you would like to submit a name for nomination, please contact one of the following members: Eddie Pafford, Max Ferguson, Paul Isler, Jeff Kendrick, Marvin Winter, Joe Looper or Jim Roos.

Have you signed up for a Hinman Committee? Check the committees list posted on the society website (www.hinman.org/society) after November 1 to make sure you are signed up for a committee. If not, you can contact Lynn at the Hinman office (lheidel@hinman.org) to sign up. Committee service is required from all active, non-emeritus Hinman members. Keep an eye out for committee correspondence via the email address that you have on file with Hinman.

SEPTEMBER MEMBERSHIP MEETING

President Jim Roos presents speaker Dr. Mike Pruett with a plaque after presenting his lecture.

Trustee Chairman, Bill Schroeder, presents Debbie Torbush with a check to be donated in her honor as President of the Foundation of the AADA.

Dr. Roos presents Dr. Lee with his Hinman President's plaque for his service during 2011-2012.

Dr. Roos presents Dr. French with a gift of appreciation for his service as General Chairman of the 2012 meeting.

President Roos welcomes June new members (unable to go to the annual meeting) Sarita Henry (sponsor Deidra Rondeno), Sandra Cohen, Manoj Maggan (sponsor Dan Dunwody), Marshall Knauer, Husam Albzreh, Carye Riley and Amy Kuhmichel.

President Roos welcomes September new members Yookyung Hur (sponsor Peter Bain), LaTonya Wade-Crear, Gloria Clarke (sponsor Deidra Rondeno), Terry Hopper, Gretchen Blanchard, Robert McGhee, Neah Shah, Chris Flemming, Forest Butler (sponsor Dale Evans) and Justin Cooper (sponsor Fred Dunkelberger).

Did you know? The Hinman Dental Society, via the Hinman Board of Trustees, has donated more than four million dollars over the past ten years to furthering dental education.

Do you wish you knew more about our Hinman Board of Trustees? The Trustees form the arm of the society that has the duty of being the “custodian of the reserve funds of the Thomas P. Hinman Dental Meeting and invest[ing] these funds in a prudent manner” (Hinman Bylaws, Article V, Section 1). The Board of Trustees consists of six Hinman members in good standing who have served as a General Chairman of the Hinman Meeting.

The Trustees have the duty of reviewing all funding requests from various entities and distributing any funding that Hinman awards. Requests come mostly from regional university dental schools for a variety of needs, including specific educational programs (like the UT Hinman Student Research

Symposium or the UNC Hinman Lecture), faculty chair funding and scholarship fund contributions.

The Society is a major recipient of Trustee gifting as well. As a token of appreciation for the time members serve working at the Hinman Dental Meeting in March, the Trustees absorb more than half of the cost for members to attend all other meetings during the year. They also cover a substantial amount of the member cost for the annual meeting. For the cruise, this gift amounted to over \$450 per member. Funding includes several other miscellaneous general office costs as well.

Lastly, the Hinman scholar program, which began in the mid 1980s, provides scholarships for dental students who have been chosen by their school for excellent achievement. In addition to the scholarship, Hinman scholars receive free registration to the Hinman Meeting, reimbursements for travel expenses, hotel accommodations during the meeting and also attendance at a luncheon in their honor. This past year, there were over 90 students who benefitted from Hinman scholarships, amounting to \$222,500.

Approved Trustee Gifts for 2012 – 2013

Hinman Scholarships & Scholar Expenses	\$ 150,000
Alumni Reunions & Alliance Requests	\$ 16,500
Large Requests from Universities	\$ 392,500

Hinman Exhibits... 70 years and still going strong

Wendy McGar, Exhibits Manager

For many years, the Hinman Meeting was about traditional education by way of a classroom setting and learning the latest techniques, technologies and procedures. It wasn't until 1942 that the Hinman Dental Meeting's traditional mold was enhanced with the first exhibitor showroom. It started with just 14 exhibitors and has grown to what it is today with over 400 exhibiting companies and more than 900 booths. Some still use basic tables and some have elaborate island booths soaring at heights of 20 feet. There is plenty to learn when you visit the Hinman exhibitors, as they strive to educate the Hinman attendee with the latest the dental industry has to offer: everything from financing, informatics charting, materials, equipment and much more.

This year, the Hinman exhibits team embarked on a first time exhibitor campaign in an effort to attract the newest products, services and technologies in the market today. Since Hinman understands that ultimately, your focus is the end user or the patient, having the most up-to-date products and services is critical to giving the best patient care possible. Hinman's first time exhibitor campaign not only attracts new exhibitors but it keeps them loyal by offering a concierge service for their first three years of consistent dedication to the show. As a Hinman Member, it is vital that you save your purchases for the meeting in March. By doing so, the exhibitor is able to validate their exhibiting experience with a measured return on their investment (ROI).

In addition to the first time exhibitor campaign, we welcome back the tried and true loyal exhibitor with open arms. They have dedicated 70 years to exhibiting at our show and stuck with us through the ups and downs of the economy, industry-wide acquisitions and mergers and of course, the

infamous tornado. These companies have realized the value of the Hinman attendee and are happy to be by our side during good times and bad.

Some other great things happening on the floor this year are: a classic car show, jewelry give-a-ways, a new Hinman Treasure Quest game, educational courses, a cocktail hour on Friday afternoon and a support-the-troops letter writing campaign. So, mark your calendars to visit the show floor in March, save your purchases and enjoy the great education and fun activities as The Tradition Continues.

We need you!

Member Corner upcoming article submission deadlines are **November 9 and March 29**. We are looking for articles

intended to better acquaint our members with each other. Examples of articles include: Informational, non-clinical topics that would appeal to members, a member biography that highlights fun or unique hobbies or interests, a wrap up of an event

that would be of interest to members, local volunteer opportunities of which you are a part, society connections or society-related stories. Please contact Laura at lpope@hinman.org to submit an article or for more information on article guidelines.

Hinman Quick Picks: For the next issue, we are looking for your favorite part of the March Hinman meeting. Please send in your reply, along with a headshot to lpope@hinman.org by November 9. One lucky respondent will receive an AMEX gift card!

MEMBER SPOTLIGHT

Veteran Member Hal Raper and the American Legion

Dr. Hal Raper, member Dentist and Veteran of the US Navy who served our country for 29 years, both as active duty and reserves. He worked in the Marine Recruit Depot in San Diego and was also assigned to a WWII Aircraft Carrier that traveled to the western Pacific. He is now an active member of the American Legion Post 140, near Chastain Park. The American Legion is a patriotic organization dedicated to community support through fellowship with other veterans and promotion of "100% Americanism." He invites any veteran to join him for a visit to the Ryan Means Legion (his post). They host monthly socials and business meetings, along with other activities, such as a race around Chastain Park, held this year on September 12 to commemorate September 11, 2001. They meet at 3905 Powers Ferry Road, NE, in Atlanta. For any questions, you can call Dr. Raper at 404-237-0556.

Geraldine Ferris, International Mission Dentist

Geraldine (Gerri) Ferris is a relatively new associate member and now part-time Florida Periodontist who enjoys serving in several volunteer dental roles, recently including GMOM, and she is looking forward to working the Hinman meeting in 2013.

In the past she has been involved with mission dentistry work in third world countries, with her main focus being in Nablus, East Jerusalem, Gaza and other cities in Palestine. Her family immigrated from Syria, which is the main reason for her interest in the Middle East. She was able to take part in a special opportunity to teach Syrian dentists about periodontics, preventive perio and some surgical procedures back in the 1990's and she stayed there for two years to serve in this capacity. Dr. Ferris has really enjoyed these mission experiences and has been "pleased that I have the skills and ability to give back to other dentists who don't have the same opportunities that we have in the US."

Hinman Welcomes New Member Dentists to Society

The Hinman Dental Society’s membership continues to grow. Every year, the Society welcomes a number of new members. Our newest members have found out about the society through a variety of different ways, but all are excited about their membership and to represent an organization with such high standards and reputation. Some of our newest members share their background in dentistry, with Hinman and also what they enjoy doing in their spare time.

Dr. Ron Cavola

Dr. Cavola decided to join the society after an invitation from Max Ferguson at GMOM last year. He has been practicing for 25 years and has been attending the Hinman meeting throughout the length of his career. Some of his hobbies include traveling, golf and spending time in New Orleans with his family.

Dr. Hamir Contractor

Dr. Contractor has been attending the Hinman meeting since 2000 and learned about the society in dental school. He is looking forward to “[meeting] other dentists that are committed to continuing education and striving for the best care in their patients.” He is a tennis player and also enjoys spending time with his wife and son.

Dr. Gerri Ferris

Dr. Ferris was attracted to the society because of “the high quality member dentists, as well as the high quality meeting.” She has practiced since 1982 and now works part-time. In her spare time, she enjoys golf, tennis, grandchildren and shopping.

Dr. Lia Gallo-Urrego

Dr. Gallo-Urrego appreciates that Hinman is family oriented and likes that she can meet new people with good principles and beliefs. She practiced in Columbia, South America starting in 1993 and earned her DDS degree in 2007 from the University of Colorado. In her spare time, she enjoys interior design projects and traveling.

Dr. Michael Hackman

Dr. Hackman learned about the society through the Medical College of Georgia and began attending the meeting in dental school, back in 2001. The most rewarding experience for him in dentistry is “the experience of rehabilitating someone back to health.” He enjoys golf and soccer as hobbies, and also playing with his son and golden retriever.

Dr. Julius Park

Dr. Park learned about the society from Stuart Loos, who stressed the importance of organized dentistry to him. He is a pediatric dentist in Woodstock and finds that “interacting with [his] young patients and helping them develop good oral hygiene habits from an early age into adulthood” is most rewarding about his career. In his spare time, he enjoys traveling, family time, playing the guitar or salsa dancing!

Dr. Erin Pickwick

Dr. Pickwick learned about the Hinman Dental Society through her mother, Kathy Huber, and has been attending Hinman annual meetings since the age of twelve. She practices in Suwanee and finds that “[helping] people, even when it is in the smallest, most unassuming ways or even in ways that don’t involve their teeth at all” rewarding. She enjoys family time, cooking and the outdoors during her spare time.

HINMAN QUICK PICKS *Favorite Member Holiday Recipes*

Shrimp and Grits

Submitted by
Bruce Ashendorf

Ingredients

1 lb shrimp-peeled and deveined – save shells
8 pcs or 3/4c smoked bacon or country ham, chopped, adjust as needed for flavor
1/2 c chopped onion
2 cloves garlic-chopped
1/2 c green, red or mixed bell pepper, chopped
6 c chicken stock
3/4 c course stone ground grits and 3/4c quick grits
2 c whole milk

Directions

Mix shrimp shells in with chicken stock – heat on med high, bringing to a low boil. Reduce by half. Drain and discard shells, saving 1c of drained liquid. Set to the side. This can be done in advance. Add milk, return to low boil, add grits, and return to boil, stirring during this time. Reduce the temp to low or simmer and cook about 1-1 1/2 hours adding the extra stock as needed for the proper consistency (if they are cooking enough you will need to add). Taste and season as needed. Chicken stock can be salty so depending on the kind used, you may not need to salt the grits.

About 15 minutes before grits are finished begin the shrimp. In a large heavy skillet over medium heat cook bacon. When bacon is soft and clear but not crispy carefully drain most of the grease, leaving enough to cook the remainder ingredients. Add onion, cook 3-4 minutes, add garlic, cook 3-4 minutes. Bacon should be crisping and the onion and garlic should be clear, add bell pepper and cook 1-2 minutes, add shrimp and cook until done (only a few minutes, they cook quickly). Serve. *Serves 4.*

Bacon and Leek Risotto with Poached Egg

Submitted by Sedgie Newsom

Ingredients

6 large eggs
5 cups low-salt chicken broth
1 tablespoon olive oil
6 slices thick-cut bacon, cut crosswise into 1/2-inch pieces
2 cups thinly sliced leeks (white and pale green parts only; about 2 large)
1 1/2 cups arborio rice or medium-grain white rice (about 10 ounces)

Directions

Bring large skillet of water just to simmer over medium-low heat. Sprinkle water with salt. Working with 1 egg at a time, crack into small bowl and slide egg into simmering water. Cook eggs until whites are cooked through but yolks are still runny, 3 to 4 minutes. Using slotted spoon, carefully transfer poached eggs to medium bowl filled with ice water. Eggs can be made up to 1 day ahead. Cover and refrigerate in same bowl of ice water.

Bring broth to simmer in medium saucepan; cover to keep warm. Heat oil in heavy large saucepan over medium heat. Add bacon and cook until crisp, stirring occasionally. Using slotted spoon, transfer bacon to paper towels to drain. Add leeks to drippings in pan; cook until soft but not brown, stirring often, 4 to 5 minutes. Transfer 2 generous

3/4 cup dry white wine
3 tablespoons finely chopped fresh Italian parsley
1 tablespoon butter
2 tablespoons finely grated Parmesan cheese
Fresh Italian parsley leaves (for garnish)
Additional finely grated Parmesan cheese (for garnish)

tablespoonfuls leeks to small bowl; reserve for garnish. Add rice to pan; stir 1 to 2 minutes. Add wine; stir until absorbed, about 2 minutes. Add 1/2 cup warm broth to saucepan; stir until broth is absorbed. Repeat adding broth and stirring until rice is tender but still firm to bite and sauce is creamy, stirring almost constantly, about 23 minutes total. Add bacon, chopped parsley, butter, and 2 tablespoons cheese. Season to taste with salt and freshly ground black pepper.

Meanwhile, heat poached eggs in medium skillet of simmering water just until heated through, 1 to 2 minutes.

Divide risotto among 6 bowls. Top risotto in each bowl with poached egg. Sprinkle egg with salt and pepper. Sprinkle with parsley leaves, additional cheese, and reserved leeks. *Serves 6.*

Ingredients

Cake

6 eggs
1 pkg yellow cake mix (with the pudding in the mix)
1 small package vanilla Jello pudding
1/2 c water
1/2 c vegetable oil
1/2 c white rum
1.5 c chopped pecan pieces

Glaze

1 stick butter
1 c sugar
1/4 c rum
1/4 c water

Max's Rum Cake

Submitted by Max Ferguson

Directions

Preheat oven to 325 degrees. Combine all cake ingredients except the pecans. Mix for 2.5 minutes until smooth. Fold in 1-1/2 cups of pecan pieces. Pour into greased Bundt pan (spray heavily). Bake exactly 56 minutes. Meanwhile, mix glaze ingredients together in saucepan. Bring to a boil while stirring. Immediately after removing cake from oven, make holes with toothpicks in top and pour hot glaze over cake. Let cool and remove from pan. Cake stores well and can be frozen.

Hinman Military Postcard Contest

We are excited to announce a new community service project that Hinman will be hosting this year on the Exhibit Hall floor. We will have a station set up where attendees can write a quick thank you note on a post card to a service member who that is currently deployed with the US military. The cards will be mailed to various military bases throughout the world and delivered to our troops.

We need our members and their families to create the design for the front of the postcard.

Postcard Guidelines:

- The design should be patriotic and can include words of gratitude in some form as well.
- The contest is open to all ages.
- All designs should be 4 inches by 6 inches, submitted on white, unlined paper.
- Small writing and symbols should be avoided since the card is fairly small.
- Most art media is acceptable (crayons, markers, computer graphic, etc.). Please note, colored pencils are not allowed.
- The winning designs will be printed on postcards and the creator will receive a \$50 gift card as a prize.
- The deadline to turn in postcard submissions is December 31, 2012. Original designs should be submitted to the Hinman office by mail: 33 Lenox

Pointe, Atlanta, GA 30324, Attn: Laura Pope, Postcard Contest. Please include the designer's name and age with your submission.

- Designs, once submitted, become property of the Hinman Dental Society and they reserve the right to change or alter the designs in any way. Designs will not be returned to the creator after the end of the contest.

Thank you for your submission and good luck!

BYLAWS MEETING MINUTES

Hinman Membership will vote on these changes to the bylaws at the membership meeting on November 12, 2012.

DATE: Tuesday, July 17, 2012

Lecture Topic:

Small-Diameter Implants for Big-Time Success

Implants have become an essential part of any effective dental practice. Among the many implant treatment modalities, small diameter and mini-implants can be effectively used to treat patients with limited finances or limited bone volume. This course will teach the general dentist how to manage the edentulous patient with dental implants and cost-effective overdenture solutions. Clinicians taking this course will learn fundamental surgical procedures, treatment planning protocols and restorative steps necessary to easily select and treat patients with mandibular overdentures. Emphasis is on effective utilization of technology and standardized protocols to maximize profitability and success of patient treatment.

DR. MIKE MCCRACKEN

Dr. McCracken currently serves as a Professor at the University of Alabama School of Dentistry. He received his dental degree from the University of North Carolina, and completed a prosthodontic residency at UAB. Also, he earned a Ph.D. in biomedical engineering at UAB for research related to growth factors and healing of implants in compromised hosts. His past roles within the University include serving as Director of Pre-Doctoral Implant Education, Director of Graduate Prosthodontics, and Associate Dean for Education and Curriculum Development.

Dr. McCracken lectures internationally on topics relating to implant dentistry and the restoration of complex dental patients. He is known for his

practical approach to teaching and his ability to explain concepts so that they are approachable for clinicians who may be new to the field.

In addition to his faculty role, Dr. McCracken maintains an active clinical practice in Bessemer, Alabama, where he teaches surgical placement of dental implants to general dentists at the Bessemer Implant Training Institute.

Hinman Annual Business Meeting Minutes (Continued from page 10)

Executive Council Meeting. The budget was approved (Dubin/Pruett). A copy of the budget is attached to these minutes.

MEMBERSHIP REPORT: Membership Chairman Pat Yancey presented the following prospective members for approval: Drs. Gretchen Blanchard, Forest Butler, Gloria Clarke, Christopher Fleming, Terry Hopper, Yookyung Hur, Robert McGhee, Dirk Russell, Neal Shah and LaTonya Wade Crear. These proposed names were approved for membership (Roos/Dubin). All new members were invited to the front of the room, along with the new members from June that were present, to receive their new member packets and to take a photograph with President Roos. Sponsors were invited to join the group as well.

PROGRAM CHAIRMAN REPORT: Program Chairman Pat Yancey reported that the next two membership meetings will be November 12 with lecturer Mike McCracken and January 14 with lecturer Dave Weber (this will be a staff lecture).

ANNUAL MEETING REPORT: Chairman Troy Schulman reported that the Annual Meeting will be held June 7-9, 2013, at Chateau Elan in Braselton. The trustees have approved subsidizing member registration and one night's hotel stay.

HINMAN 2013: General Chairman Brad Greenway highlighted some of the courses that will take place at the meeting this year, including a

laser course and social media/website course. He also prompted members to sign up to work their required eight hours during the March meeting. He encouraged anyone that has a classic car to send in a photo in order to display their car at a new exhibit on the hall floor this year.

HINMAN 2014: Chairman-elect Brian Carpenter reported the planning for their meeting is well on its way and they recently scouted the Sirona Summit in Vegas.

HINMAN 2015: Vice Chairman-elect Dave Lee announced that his program chairmen will be Jonathan Dubin and Paul Isler. He also encouraged anyone that is interested in being more involved with Hinman to reach out to him.

OLD BUSINESS: None

NEW BUSINESS: There was a special presentation made to Drs. Lee and French for their hard work and dedication to the meeting last year as President and General Chairman.

It was proposed to increase the membership dues to \$170 yearly to match the dentist registration fee for the meeting that has already been approved. The motion passed (Kerr/Yancey)

MEMBERSHIP NEWS: Dr. Barnes reported the following:
